To Commissioner for Patents:

I have enclosed change of correspondence address forms for two patent applications (application numbers 10/174,007 and 09/254,563). I had previously submitted forms for such changes in correspondence, however there appears to have been some error in the process as the addresses were not correct after the first changes. This error caused miscommunication with the U.S. Patent and Trademark Office and I would like to ensure that such miscommunications do not occur in the future. Once the changes have been made, please send written confirmation of the new addresses and information.

Sincerely,

Victor Bronshtein
